Dear Mr. Nohava,

We gratefully acknowledge your generous contribution of \_\_\_\_\_ to the *Caring for Kids Radiothon presented by Satellite Central* for Children's Miracle Network. We are so pleased to announce that this year's Radiothon raised over \$110,000 and the number is still growing! We are proud that **all** of the funds raised with your support will stay here in our community.

Thanks to thousands of Sioulanders caring about the area's children, the Radiothon will help bring about many more miracles to our community through St. Luke's Children's Miracle Network. With the funds raised, technologically advanced equipment will be purchased, top notch health education programs will be offered, and St. Luke's will continue to offer families first-rate healthcare for children.

It is through the efforts of Clear Channel Communications radio stations, KG95, Z98, and KISS 107FM that Children's Miracle Network was able to reach out to everyone to help the children in Siouland who need the help the most. Thank you for being a loyal listener of Clear Channel Communications and for picking up your phone to support Children's Miracle Network.

Again, thank you for your support of the *Caring for Kids Radiothon* and for helping us make a difference to the children of Siouland.

Sincerely,

Megan Meyer  
Children's Miracle Network Coordinator
